Winter Break!!

Global Village

I enjoyed my winter holidays. During holiday I went to Global Village in Dubai with my parents. It's a beautiful place. Global Village combines cultures of 90 countries across the world at one place. I enjoyed the fun tricks of ice-cream parlours a lot.

Love Lake

My favorite place is Love Lake in Dubai. It is a manmade lake. There are many lakes surrounded by sand. I saw different colour fishes in the lake. I saw many ducks and swans swimming in the lake. I enjoyed very much with my family.

Miracle Garden, Dubai

My one of winter holiday visit is Miracle Garden. It is a very wonderful and beautiful place. There is lots of things to see. My colorful flowers are so cute. I watch this place with my family.

A day at the beachside

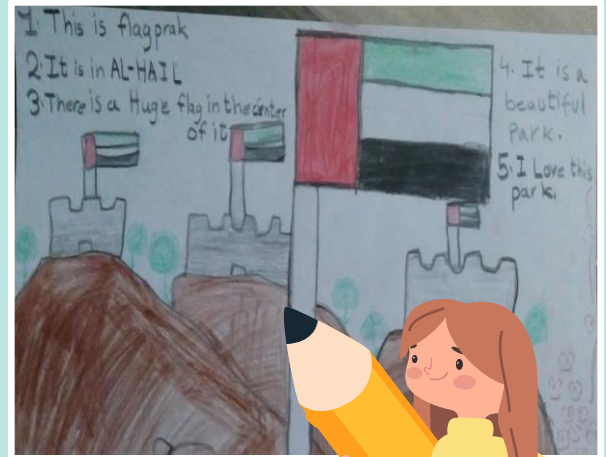

My favorite place is the beachside. We go to watch the blue waves coming to the shores. The seagulls fly freely catching fishes from the water. I enjoy making sandcastles with my brother. We can see ships docked far away and yachts too.

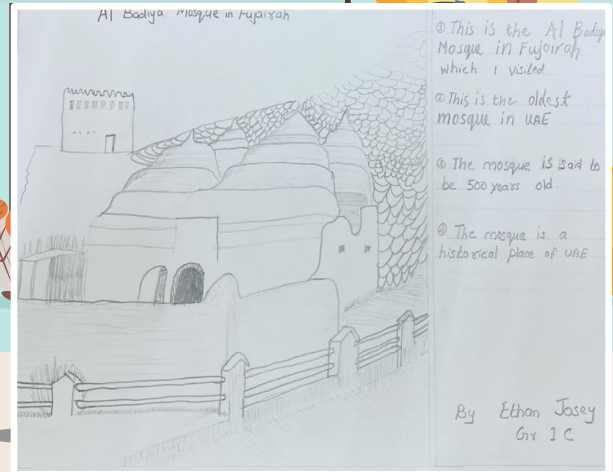

Winter Break!!

My name is Vaishnav. I am from Grade 1C. In my vacation I visited Fujairah Corniche on the new year fire works time. I wore mask and took precautionary measures while going to corniche because of the covid 19 situation. I saw a good fire works in the sky. I felt many colourful stars are shining in the sky. My memorable moment on my vacation is Fujairah corniche fire work and I enjoyed a lot.

Assessments!

In education, the term assessment refers to the wide variety of methods or tools that educators use to evaluate, measure, and document the academic readiness, learning progress, skill acquisition, or educational needs of students.

IGCSE sat for their Formative Assessment 2 the 18th to 31st January. All students engaged with much enthusiasm and dedication to showcase their colours in learning.

Republic Day of India.

Republic Day is celebrated every year in India on January 26 to commemorate the date on which the Constitution of India came into effect, in the year 1950, and the country became a republic.

Teachers of Junior School CBSE shared a PPT with their students discussing the purpose, and the importance of the day and the students engaged in singing the national anthem of India and art and craft activities to honor the day.

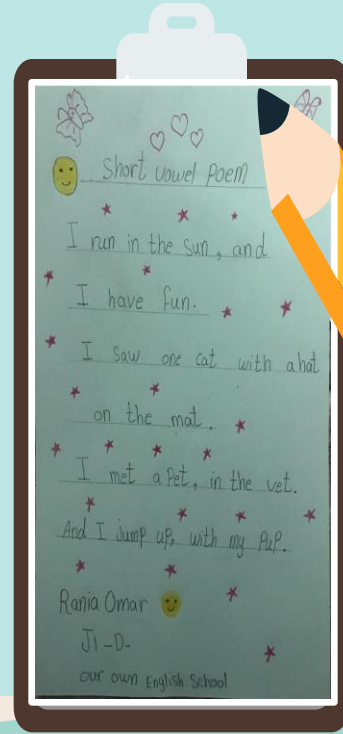

Junior Colours!

Once a day There was a car race
and there were 5 colored cars
The red car were the last, but
later the red car become the
first, he won. The others became
sad and they said how could you
do that? Red car said you need
to try. The others said Can you
share the prize please? He said
Yes, of course and they became all
happy.

Short vowel poem

I run in the sun, and

I have fun.

I saw one cat with a hat
on the mat.

I met a pet, in the vet.

And I jump up, with my pup.
