Circular to Parents: Spell Well —IGCSE Grade 01 & 02

Dear Parents,

Greetings!!!

"To learn to read is to light a fire; every syllable that is spelled out is a spark,"

We at Our Own English High School Fujairah believe in creating a fundamental foundation that students require throughout their education and lives.

Spellings are words which indicate power, and they can have dramatic effect on how we interact with people, learning to spell helps to cement the connection between the letters and their sounds and learning high frequency sight words to mastery level improves both reading and writing. This is a spelling program, designed to practice words in which students will be asked to spell a broad selection of words, usually with a varying level of difficulty. The Spell Well activity will help to facilitate communication, improve reading ability, decode, and encode words and have a better grasp of language overall.

Please note the important points related to the monthly Spell Well activity:

1.	This activity has been designed to improve spellings and the understanding of phonetics among students.
2.	A worksheet with 20 words will be uploaded on the 10th of every month.
3.	The test will be conducted on the first Wednesday of every month with a time limit of 40 minutes.
4.	Top scorer from each class will be selected and they compete each other.
5.	The winner will be awarded a certificate.
6.	The words they learn should be written on word cards every month and finally at the end of the year frame it into a booklet.
7.	The best creative booklet will be awarded a certificate

All the best for the spell well voyage!

Thank you for your continued support.

Best Regards,

Syed Tahir Ali
